**VINTAGE:** 2020

**VARIETY:** 100% Juan García

**Alcohol Degree:** 14.5% vol

**pH:** 3.61

**Total Acidity:** 6.46

**Sugars:** 0.131

**Harvest:** October 8, 2021

### PLOTS

All of them are small plots with vineyards between 60 and 10 years old, with old vines planted in goblet and with absolute respect for nature that barely produce two or three bunches in the best of cases. Farms located in the Arribes del Duero Natural Area, located between 650 and 750 meters above sea level, in Fermoselle, the Villa del Vino.

### SOILS

Granitic and sandy from the alteration of the bedrock. These soils allow the plant to reach a progressive and not very rapid maturation, allowing continuous and daily observation to ensure that we choose the optimum harvest time to make our wines.

### HARVEST

The harvest is carried out at the right moment of maturation, plot by plot, carrying out pre-fermentative macerations at low temperatures until the last plot is harvested. With this grape, the moment chosen is of the utmost importance, being a variety that in 24 hours can completely change its ripening state. Fermentation at a controlled temperature takes place in small stainless steel tanks.

### TASTING NOTE

Also known in the Arribes territory as Malvasia Tinta.

Purplish red in color, not very intense, but bright, it is a wine from a variety that is the D.O. Arribes, cold as the granite of the soil. On the nose it reveals the intensity of the aromas of red fruits, sweet berries, very fresh, the elegance of a wine with little extraction is felt, with light tannins that end with a long finish of spices, such as cloves and white pepper.

**SERVICE TEMPERATURE:** 15°C

**YIELD:** 25 hectoliters per hectare

**BOTTLING DATE:** July 2022

**PRODUCTION:** Ltd. Edition of 1,400 bottles.

**WINEMAKER:** Patricia Santos
